RESERVATION CHECKLIST

Santa Cruz County Parks is proud to offer wedding and event sites that are affordable and offer flexible policies. The reserving group is responsible for all aspects of the event day, including set-up and clean-up, so please review the following recommendations to help you plan your event in a County Park facility:

- ❑ Carefully plan the reservation time. All set up and clean up need to be included in the reservation time frame, including set up and clean up of the indoor facility and any adjacent exterior grounds as well a pick up of rental equipment.
- ❑ Read the conditions of use as you do your planning. If you have a coordinator, please share it with that person so they will know the Parks policies.
- ❑ Carefully plan your event or reception time so that it corresponds with the event time frame. The five-hour* time limit cannot be exceeded.
- ❑ Review the time on your sound permit. The five-hour* time includes music for a ceremony. Check with the facilities office about the outdoor sound restrictions for your chosen facility.
- ❑ Review the time on the alcohol permit if you have one. The five-hour* time limit cannot be extended. Share the alcohol permit with the person whom will be designated to work with on-site Parks staff for any related issues.
- ❑ If you want to add hours to your reservation permit or change the time of your reservation please do so in writing before the first of the month preceding your event. Remember that you may need to change the times on your alcohol and sound permits if you are adjusting the event times.
- ❑ Find a wonderful friend or caterer that will be in charge of the set up and the clean up. Share the conditions of use with the designated person(s) so that they are aware of Parks policies and the set up and clean up responsibilities, including decorating restrictions and the clean up checklist.

Thank you for choosing Santa Cruz County Parks

*The same time limits apply for events that have a 3-hour maximum time frame

Center Rental Terms and Conditions Of Use

Hours: Parks indoor facilities (centers) may be reserved for use by groups and individuals between 10:00 AM and midnight on Friday and Saturday; 10:00 AM and 10:00 PM Sunday; and 8:00 AM and 10:00 PM Monday through Thursday. Weekend reservations require a 10-hour minimum rental. A 6-hour minimum rental is available for Valencia Hall and for reservations made within 3 months of the date at all Park centers. Weekdays, and weekends between November through March, require a 2-hour minimum reservation. The total hours reserved must include set-up, a 5-hour maximum event, and clean-up.

Time Limits: Renters are expected to abide by the reservation times indicated on the facility use permit. If the time limits are exceeded by early entry or late exit, the Permittee will be charged for the excess time at 1-1/2 times the hourly rental rate. The fee will be deducted from any deposit or an invoice will be sent.

Changes to the Permit: Changes and additions to the permit may be made at no charge if submitted in writing before the first of the month preceding the event (for example, changes for September events should be submitted before August 1st). Any changes to the permit made during the month prior to event are subject to a \$50 fee.

Cancellations: Reservation cancellations must be made in writing. Cancelled reservations up to four months prior to the event are subject to a fee of 25% of the reservation charge. Reservations cancelled between four months and two months prior to the event are subject to a fee of 50% of the reservation charge. Cancellations of less than two months receive no refund of fees.

Alcohol Permits: A permit to serve alcoholic beverages may be issued for up to five hours with a facility reservation and requires a \$200 alcohol permit fee and \$200 refundable damage deposit. A 3-hour permit is available for the 6-hour minimum rental and requires a \$100 alcohol permit fee and \$100 refundable damage deposit. Only beer, wine and champagne may be served and consumed and only during the designated time period on the permit. If alcohol is to be sold at the event, a California Department of Alcohol Beverage Control permit and additional insurance is required. Alcoholic beverages are prohibited at events that are celebrations for children under age 17 and at events where children comprise 40% or more of attendees.

Sound Permits: Public address systems, electronic equipment, live music (including acoustic) or amplification require a sound permit. The permit can be issued for up to five hours. A 3-hour permit is available with the 6-hour minimum rental. There are restrictions on outdoor sound that vary in each Park center. Please check with the Facilities office if you are planning on an outdoor sound permit.

Deposits: Damage deposits may be required for center rentals. Refunds are contingent upon completion of the facility use permit terms and conditions of use, including conditions of the sound and alcohol permits. If Parks facilities, grounds, and equipment are left in pre-use conditions and all conditions of the permits have been complied with, the full deposit will be returned. If damage occurs, repair or replacement costs will be subtracted from the deposit or an invoice will be sent. Refunds will be mailed approximately three weeks following the event.

Damage: Damage done to the facility or grounds that do not have a deposit or the damage is not covered by the amount of the deposit will have the required amount billed to the Permittee. Staff rates to repair damage are charged at the current maintenance staff hourly rate. Bills not paid after 30 days are sent to collections.

Park Services Officer: A Park Services Officer (PSO) will open the facility and remain at the site for the duration of the event during the times indicated on the permit. The PSO is responsible to see that all permit conditions are complied with and will work directly with the Permittee or its designated on-site representative(s) for set-up, event/ alcohol and clean-up. The designated clean-up contact will sign off on the clean-up checklist with the PSO after the event clean-up.

Set-up and Clean up: Set-up and clean-up of the indoor facility and any adjacent exterior grounds may only occur during the hours of the reservation and as notated on the facility use permit. Permittee is responsible for set-up (chairs, tables, decorations, etc.) and clean-up of premises. Please leave the buildings and grounds free of debris and other refuse from your event. Refer to the clean-up checklist for specific instructions. All recyclable materials should be placed in provided containers. Overnight storage is not permitted. If rental equipment is used, Permittee must arrange for it to be delivered and removed the same day as the reservation. Set-up and pick up may only take place within the reservation time frame. If the time limits are exceeded, the Permittee will be charged at 1-1/2 times the hourly rental rate.

Decorating: Light adhesive, removable tape (i.e. poster tape or painter's tape) and florist wire are the only types of fasteners permitted. Use of staples, tacks, and nails are not permitted. If Permittee uses a tent or canopy, do not use stakes longer than 6 inches. Release of balloons, birds or butterflies is prohibited by Parks policy. Use biodegradable confetti only; no rice throwing. Candles, fuels and hazardous materials are not permitted in the park buildings and facilities. Fires must be confined to fireplaces and barbecue areas.

Parameters of Use: County Parks may establish additional policies consistent with the provisions of the adopted rules and regulations as it deems necessary for safe, efficient and optimum use of facilities. Checks: Checks returned for insufficient funds and credit card chargebacks are charged at the current processing fee. Please note that credit cards are charged by Santa Cruz County.

Sub-Lease Permittee may not assign or sub-lease any portion of the premises, or any rights under its permit, without prior written approval of the department.

Concessions: The County reserves sole right to control and limit all concessions in and about the department buildings and park grounds. Please inquire about concessions agreements if you are planning on selling items or food in the Parks.
