

Kreative Kids Musical Theater

Every child is a star, when they join us for this unique musical experience led by Freesia Raine! In a supportive and playful environment, students develop confidence and collaboration skills while learning lines and lyrics. Reading and memorization skills are not required, but students must be able to attend class without their parent. The 8-week series concludes with an evening show for families. Participating parents must assist with simple costuming, scenery and props. Each family provides snacks for one class meeting and for the performance night. Handouts detail the play's needs as it evolves.

Instructor: Freesia Raine, a singer/songwriter and music teacher with many years experience offering unique programs for pre-school and school-age children.

Please note: Students may miss a class due to vacation or illness and still enjoy themselves and be successful, but should not miss the final class of the series, which is dress rehearsal.

"Frog and Toad Forever!" In the Late-winter class we'll explore and perform fun stories about these two great friends, their adventures, wisdom and silliness. Everyone will have a lead part!

Wilder Hall, Ben Lomond - Ages 5-9

Late Winter	Th	2/9-3/30	3:15-5:30 PM	\$130 / \$143	#17393
