

Trek to the
forbidden Sandhills

SANDHILLS SERIES

April is the best (and only) time to visit the flower-covered hills of the protected sand parkland habitat. Only on these three Sundays in April will you have the opportunity to join a guided tour to see and learn about the many rare species that make this special place their home. Wear good walking shoes, and bring a hat, drinking water, and camera (optional). Due to the sensitive nature of the area, the group size is limited to 15. All ages are welcome to attend. Open to all flower lovers who can walk a mile.
