

Trek to the  
forbidden Sandhills

# SANDHILLS SERIES

April is the best and only time to visit the flower-covered hills of the sandhills habitat. Join a guided tour with Park Docent Sean Wharton to see and learn about the many rare species that make this special place their home. Bring good walking shoes, a hat for shade, drinking water, and a camera (optional). Due to the sensitive nature of the area, group size is limited; call in advance to reserve your space. All ages are welcome to attend. Open to all flower lovers who can walk a mile.
